Colleagues –

It has come to my attention that there was a production on one of the WOTUS FOIA requests yesterday. I have indicated my desire to review any publication that is made w/r/t WOTUS to some of you, but it seems there has been a breakdown in communication. I am not sure where this breakdown occurred, but want to make sure it's corrected moving forward. In the future, please make sure that—at a minimum—I am given a reasonable opportunity to review documents responsive to WOTUS-related FOIA requests before production. To be clear, the purpose of my review is merely for awareness and not for determining whether to release.

Thank you.
